# I. Committee Background

The crisis committee, at CFMUNX, operates under the premise that delegates receive topic information on the event day.

A comprehensive document will be provided, equipping delegates to work towards resolutions by the committee's conclusion. The topic unveiling occurs in the 1st session, and a position paper is not required.

Delegation participants will be allotted preparation time.

## II. Suggestions

Please ensure you bring a WiFi-capable device (mobile phones are not permitted) for crafting your position and resolution papers.

Tips:

- Familiarize yourself with your country's basic information and delegation's crisis protocols beforehand to enhance your participation.
- Stay updated on current events, as many crises will emerge from them during the event.
